Gail – You can send your comments at any time. I would be happy to meet with you on Section 2 tables after we get Sections 3 and 4 out. We can set up a call for some time after the first week in August.

Subject: FS Sections 1 and 2 comments

Hi Kristine.

The 5 Tribes have reviewed the draft final versions of Sections 1 and 2 of the FS. We have some comments we wanted to share. From your perspective, what would be the best timing for sharing those? If you wouldn't look at them until closer to NRRB (or after NRRB), then I will hold onto them for a while so we can focus on Sections 3 and 4. However, I can get them to you sooner if it would be helpful to you.

Also, we have some questions on some of the tables in Section 2. I think it would be most helpful if we could have a call to go over our questions first, rather than submitting the questions as written comments. Again, we are happy to put this call off until later this summer or early fall if the Sections 1 and 2 written comments mentioned above can wait.

Thank you.
